

Knowledge Provides Power, Leadership and Success

Lifelong Hands-on Work Learning

The Vision & Mission of **Prof. Emeritus Ralph Thomas** is to give priority to Knowledge. This could be earned through committed Lifelong Blended Occupational Knowledge Learning, which the Prepares Professional Entrepreneurs of Tomorrow.

“Surround Yourself with People who Respect and Appreciate Progressive the Hands On Lifelong Blended Learning Approach”

Every Individual Person Strives to Enrich their Knowledge from childhood, either through Traditional Academic tutorials or Lifelong Blended Hands-on Work Experience.

The philosophy and innovativeness came forth in **Professor Emeritus Ralph Thomas**' doctoral thesis with a full explanation of how Lifelong Blended Knowledge Learning can be a vital asset for every matured person. These principals allowed him to make this a reality.

The following are the Non-Formal, Lifelong Blended Knowledge Learning Awarding International Institutions with the incorporation licencing certifications and International Professional Quality Standard Verification in alliance to National Vocational Framework (NVQF) UKCCL- PQMS 5001:2005

- 1) UK Commission For Consistent Learning (UKCCL- Lifelong Learning Assessors & Verifiers)
- 2) European Continental University (ECU-USA – Non-Formal Hands-On Entrepreneurial Knowledge Degrees)
- 3) UK Association Of Lifelong Learning (UKALL - Entrepreneurial Diplomas And Memberships)
- 4) UK Certified Knowledge Association (UKCKA - Degree Top-Up Diplomas And Certified Memberships)
- 5) One World Knowledge University (OWKU - Bulgaria, Europe)- Non-Formal & Formal Degrees
- 6) Professional Knowledge Alliance (PKA) (Alumni Association & Event Management)

This is what made **Ralph Thomas** become what he is today, his determination and persistence in thinking outside of the “Traditional Box”, made him apply his Lifelong Knowledge Learning Philosophy. This came forth due to his strong passion for Hands-on Knowledge Learning and seeing its value in society. His personal advice is every person must love what they do, as this will enable them to become a Successful International Professional Entrepreneur.
